O R D E R

In the reference 1st read above, the Government have issued orders, for extending the following incentives to M/s Guntur textile Park Private Limited:-

(i) Declare Textile Park as an Industrial Estate/IALA

(ii) Reimbursement of NALA tax paid by the Company towards land conversion from Agriculture to Industrial use.

(iii) To provide external Infrastructure Assistance under IIDF as per the estimates indicated below or the actual, whichever is less:

(a) Approach Road till doorstep of the park at a cost of Rs. 4.00 crore.

(b) Providing 1.3 MLD water at the doorstep of the park at a cost of Rs. 2.00 crore.

(c) Industrial Power through a 33 KV sub-station be provided at doorstep of Park at a cost of Rs.3.00 crore.

(iv) All other benefits shall be as per the Textile & Apparel Policy 2015-20.

2. In the reference 2nd read above, Executive Director, M/s Guntur textile Park Private Limited, Guntur District has requested to grant permission for drawl of 1.3 MLD of water as and when the water is available at the earmarked point as per guidelines of the Government, and assured that they will not claim for supply of water and would make alternate arrangements when water is unavailable at the point of drawl.

3. In the reference 3rd & 4th read above, the Engineer-in-Chief (Irrigation), Water Resources Department, Vijayawada based on the report of Chief Engineer, Krishna Delta System has recommended to accord permission to M/s Guntur Textile Park Pvt. Ltd. near Maddirala(V) above NH5, Chilakalurupet(M) to draw water for a period of 10 years from Ogeruvagu drain at KM 73.680 on

(PTO)

right bank(i.e earmarked point) to the extent available during the flood period not exceeding 1.30 MLD duly ensuring that the L.R.R.s & U.R.R.s utilisations are not effected and the firm shall make suitable storage arrangements and also some alternate arrangement when water is not available at the point of drawl.

4. Government after careful examination of the matter, hereby accord permission to M/s Guntur textile Park Pvt. Ltd., Maddirala (V) above NH5, Chilakaluripeta (M) Guntur District for drawl of water to the extent available during the flood period not exceeding 1.30 MLD of water from Ogeruvagu drain at Km 73.680 on right bank for a period of 10 years duly ensuring that the L.R.R.s & U.R.R.s utilisations are not effected and the firm shall make suitable storage arrangements and also some alternate arrangement when water is not available at the point of drawl. The water charges @ Rs.5.50/- per 1000 gallons as per the Govt.Memo.No.2772/Reforms/A2/2015-1, Water Resources Department, dt: 30.09.2015, subject to the concurrence of District Collector and the Pollution Control Board and also subject to the terms and conditions stipulated below.

Conditions:

i. The Water can be spared based on the availability of water in the River/ Reservoir / Canal.

ii. The water drawn from the Source should be utilized for the purpose for which permission is granted.

iii. The firm has to pay water charges for the estimated quantity in advance as fixed by the Department.

iv. The consumptive utilization calculated per day fixed by the Department should not exceed under any circumstances.

v. Digital Water meters and measuring devices should be installed at the pump house by the industry at their own cost to measure the water consumed and should be made available to the Water Resources and Revenue Department authorities at all times for inspection.

vi. The firm should pay security deposit fixed by the Department for which permission is granted.

vii. A detailed plan showing the location of intake arrangements, pump house, alignment of pipe line and conveyance system should be furnished to the department, for approval.

viii. The industry should make its own arrangements for sufficient storage of water during non supply period.

ix. The Water Resources Department is no way responsible for non supply of water due to any reasons.

x. The entire cost of construction of pump house, pipe line etc., should be borne by the industry only.

xi. The industry must strengthen the river margin on either side of the proposed off take point to avoid erosion of bank and to protect the existing river margins as directed by the Department.

(Continued…p.3)

xii. The Department is no way responsible for any damages that may occur to the off take point and pump house during floods.

xiii. This Department is not responsible for any dispute that arises with neighboring industries and public and any legal matters.

xiv. The firm should not create any objection for improvement/Modernisation works to the said Reservoir in future, and they have to relocate the pumps if necessary, with their own cost.

xv. The industry should abide by any other conditions laid by the Department at later date.

xvi. The Water Resources Department reserves the right for cancellation of the permission without assigning any reasons thereof.

xvii. The annual requirement of water can be spared from River/Reservoir/ Canal. No more drawl shall be permitted, Priority shall be given to Drinking water & Irrigation, when reservoir receives lean flows.

xviii. The storage tank should be constructed - sufficient to store the requirements for non Supply period for water drawl from River/ Reservoir / Canal.

xix. The point of drawl should be as fixed by the Department.

xx. The company holds no right over the water permitted to draw. Priority will be given to drinking & irrigation needs.

xxi. The concerned Executive Engineer will be responsible for enforcing the conditions.

5 . The Engineer-in-Chief (Irrigation), Water Resources Department, Andhra Pradesh, Vijayawada and the Collector & District Magistrate of Guntur District shall take necessary action accordingly.
